

4 OPENERS TO PICK-UP ANY WOMAN

"YOUR HAIR LOOKS GREAT ALL CURLY LIKE THAT."

Compliment specifically on something she's wearing like earrings, or a specific feature, like her eyes or smile.

"IT'S PROVEN THAT FRUIT-FLAVORED CANDY IS HEALTHY."

Make a real-time, in-context joke about something happening in the environment. You'll have to be quick on your feet.

"LOOKS LIKE EVERYONE HERE IS GOING TO THE BIG GAME."

Make a real-time, clever observation about the environment or the people around. This can also be combined with a joke.

"I CAN'T DECIDE, RED OR BLUE POWERADE?"

Ask for her opinion on something, help to figure something out, or locating something. As a last resort, ask for directions.
